WORK EXPERIENCE

ITFest 2024 - HIMATIF UCIC

JUL 2024 - AUG 2024

Chairperson

- Led the planning and execution of ITFest 2024, a multi-category technology competition held at national and regional levels.
- Oversaw national competitions in Web Design and Poster Design, as well as regional tournaments in Mobile Legends and eFootball (West Java Region 3).
- Coordinated a team of 30+ staff across divisions (technical, media, sponsorship, logistics).
- Ensured successful event delivery through strategic planning, communication, and partnership management.

PT Alvarel Technology Innovation

FEB 2025 - MEI 2024

IT Support

- Provided daily technical support to internal users, including troubleshooting hardware, software, and network issues.
- Installed, configured, and maintained operating systems and office applications.
- Handled and documented support tickets using a helpdesk system to ensure timely resolution.
- Collaborated with technical teams on system upgrades and implementation of new devices.
- Performed routine data backups and supported data recovery processes when needed.
- Delivered basic IT training to non-technical staff to improve system usage efficiency.
